

# First Impressions

Here is a chance to test out your first impressions - how accurate do you think they are?

Simply jot down your gut feelings/guesses to the following questions about the person sitting next to you.

- What age do you guess this person to be?
- Where do you guess they come from?
- What might their job be?
- If they drive, what car might they drive
- What drink might they have in a pub?
- What newspaper might they read?
- What would you guess their politics to be?

Jot down three or four words that you feel might describe this individual's personality, for example, friendly, cold, humorous, serious, etc.
